PROFESSIONAL SUMMARY

Aspiring Software Developer and B.Tech Computer Science student with practical experience across Java, Python, and Full-Stack web technologies. Demonstrated expertise in building enterprise dashboards, desktop applications, and console systems using OOP design principles, RESTful API integration, and SQL database management. Strong problem-solver dedicated to producing clean, scalable, and optimized code.

TECHNICAL SKILLS

- **Programming Languages:** C, Python, Java
- **Web Technologies & Frameworks:** HTML5, CSS3, JavaScript, React.js
- **Databases & Tools:** MySQL, SQLite, MongoDB, Git, GitHub, VS Code, MS Office
- **Operating Systems:** Windows
- **Core Competencies:** Data Structures & Algorithms, Object-Oriented Programming (OOP), REST APIs, Debugging, CRUD Operations

WORK EXPERIENCE / INTERNSHIPS

Java Developer Intern

Oasis Infobyte | Aug 2026 – Sep 2026

- Developed console-based Java applications utilizing Core Java, OOP concepts (Classes, Objects, Inheritance), and Array List data structures.
- Engineered an ATM Management System featuring user authentication, balance inquiry, deposit/withdrawal, fund transfer, and transaction history.
- Built a Number Guessing Game with random number generation algorithms, score tracking, input validation, and multi-round gameplay.
- Applied robust exception handling and utilized Git/GitHub for version control and source code management.

Software Developer Intern

Sonet Microsystems Pvt. Ltd. | May 2026 – July 2026

- Engineered interactive modules for School ERP Dashboard based on comprehensive business and operational requirements.
- Developed responsive UI pages and reusable components using HTML, CSS, JavaScript, and React.
- Integrated frontend interfaces with backend RESTful APIs for real-time data handling, display, and state management.
- Authored optimized SQL queries for data retrieval and database operations; resolved UI bugs and improved dashboard performance.

Python Developer Intern

Soft Skill Pvt. Ltd. | Oct 2025 – Dec 2025

- Strengthened Core Python, Object-Oriented Programming, and SQL fundamentals through practical development assignments.
- Developed a full-featured Hotel Management System desktop application utilizing Python, PyQt Designer, OOP, and SQL.
- Designed intuitive GUI layouts and integrated modules for Room Booking, Customer Records, Check-In/Out, and Billing Management.
- Executed CRUD operations with SQLite/SQL database integration; debugged and tested system to maximize runtime efficiency.

PROJECTS

Hotel Management System | Python, PyQt5, SQLite, OOP

- Built a desktop application using Python and PyQt5 GUI for end-to-end hotel operations and customer workflow management.
- Implemented room booking, customer registration, billing invoices, and automated check-in/out modules.

Grocery Management System | Python, PyQt5, SQLite, OOP

- Developed an inventory and billing management system featuring product cataloging, stock tracking, and SQLite database storage.
- Applied OOP architecture for reliable data transactions and automated price/bill calculation.

Smart Resume Builder | HTML, CSS, JavaScript

- Created a responsive web-based application enabling users to input details dynamically and generate professional resumes.
- Implemented real-time live preview and automated export to PDF functionality using client-side JavaScript.

EDUCATION

Bachelor of Technology (B. Tech) — Computer Science & Engineering (CSE) — Meerut Institute of Engineering and Technology, Meerut

Dr. APJ Abdul Kalam Technical University, Lucknow | June 2024 – May 2028 | First Year: 73% | Second Year: 71%

Class XII (CBSE)

BBSSM Saraswati Shishu Mandir Inter College, Meerut | April 2023 – April 2024 | Percentage: 68%

Class X (CBSE)

BBSSM Saraswati Shishu Mandir Inter College, Meerut | April 2021 – April 2022 | Percentage: 73%

CERTIFICATIONS & ACHIEVEMENTS

- Python (Core + Advanced) - Nav Bharat Institute
- Full Stack Java - Nav Bharat Institute
- AI Fundamentals (Level 1) - Accenture
- Data Science - Cisco
- MongoDB
- Internships Completed: Oasis Info byte (Java Development),
- Sonet Microsystems (Software Development),
- Soft Skill Pvt. Ltd. (Python Development)
